▶ You can try all sorts of sports. Lots of kids play sports. What a good time they have!

She saw the ball and kicked it. Now she'll score for her team.

It's a good morning to be out! What a good day for this sport!

Is this the sport for you to try? Mr. Short thinks so.

▶ This sport is fun. It is called T-ball. You hit the ball and run.

🔊 Look at him go! He could be thinking, “I’ll score for our team!”

▶ You need a ball for this sport, too. You have to run back and forth so you can shoot the ball.

Is this the right sport for you?  
Do you like to kick? If you do,  
this sport is for you!

Every one goes down the hill!  
You need a sled for this sport.  
Don't forget your hat, too!

▶ They want to go one more time. So they have to climb the hill.

■ When you try a new sport,  
jump in and go for it!

## Think and Respond

- 1 How many sports in the book use a ball?
- 2 What are the children on page 10 doing?
- 3 What do they do after they get to the bottom of the hill?
- 4 Why should people wear helmets when they ride bicycles?
- 5 Which sport do you think is the most fun? Tell why.

**Name the Seasons** Look again at the photos in the story. Tell which seasons you think are being shown. What season is best for your sport?

**School-Home Connection** Draw a picture of your favorite sport. Be sure to include yourself in the picture.
