

قطعات دیزل ژنراتور ولوو

حفاظت الکترونیکی دیزل ژنراتور ولوو براساس آخرین تکنولوژی اروپا ساخته شده است و این خود یکی از مزیت های دیزل ژنراتور ولوو می باشد استفاده از سیستم کنترل الکتریکی باعث می شود همیشه حفاظت های مربوط به بخش موتور رعایت شود و مصرف سوخت را براساس توان خروجی تنظیم نماید.

RIEAN PISHRO DIESEL-Parts supply

100% uptime of our products demands regular maintenance and service. Volvo Penta has a long experience and understands the customers need for parts availability and delivery precision.

With a global parts warehouse capability and the support of Volvo parts and logistic we can guarantee delivery within 24 hours in most locations world-wide.

As a customer you get access to a web based system where you not only order parts but get continues updates of parts information such as replacements.

All business operations benefit from good financial planning and as few unknown factors as possible. When nothing is left to chance, long-term profitability can be built up

Genuine Volvo parts are a safe choice for several reasons.

Parts developed specifically for your engine

The latest technology

Full coverage function warranties
