## BVMMR Database v2 Release Agreement

The Image Processing and Machine Vision Lab of Shahrood University of Iran has constructed the BVMMR database v2. This package includes vehicle images of 28 different makes and models and the developmental kit. All the images are fully annotated. Developmental kit is a customized version of PASCAL developmental kit. The current database is made available just for research purpose. Any researcher who requests the BVMMR database v2 must sign this agreement and thereby agree to obey the restrictions listed in this document. Failure to observe the restrictions will result in access being denied for the request of the future version of the BVMMR database v2 and being subject to civil damages in the case of publication of images that have not been approved for release.

The researcher(s) agrees to the following restrictions on the BVMMR database v2:

1. The BVMMR database v2 is available for non-commercial research purposes only.
2. You agree not to reproduce, duplicate, copy, sell, trade, resell or exploit for any commercial purposes, any portion of the images and any portion of derived data.
3. You agree not to further copy, publish or distribute any portion of the BVMMR database v2. Except, for internal use at a single site within the same organization it is allowed to make copies of the database.
4. The Image Processing and Machine Vision Lab reserves the right to terminate your access to the database at any time.
5. All submitted papers or any publicly available text using the BVMMR database v2 must cite the following paper:  
**Biglari, M., Soleimani, A., Hassanpour, H. "Part-Based Recognition of Vehicle Make and Model", IET Image Processing, vol. 11, no. 7, pp. 483–491, 2017**
6. The final explanation of this agreement refers to the Image Processing and Machine Vision Lab of Shahrood University.
