## Level of Difficulty: Basic

This is from Montreal, Canada. A **traffic camera** films an owl. It is a snowy owl.

The owl is beautiful. Many people like the video. They **share** it on Facebook.

Snowy owls live in **remote** areas. It is special to film them.

Canada protects snowy owls. People must not kill them. However, sometimes cars hit snowy owls. Airplanes can hit the owls, too.

Difficult words: **traffic camera** (a camera which films the traffic – the cars on the road), **share** (to show other people), **remote** (away from people).

ترجمه کلمات:

**Traffic camera:** دوربین کنترل ترافیک

**Share:** نشان دادن، به اشتراک گذاشتن

**Remote:** از راه دور

## Level of Difficulty: Intermediate

A traffic camera in Montreal filmed a snowy owl. Many people liked and shared the video on Facebook.

The owl is beautiful, and it is rare to film a snowy owl. The owls **inhabit** places where people don't live. However, the birds sometimes die in **collisions** with cars and airplanes.

The snowy owl is an official symbol of Quebec, and Canada protects it from **hunters**.

Difficult words: **inhabit** (to live in), **collision** (the situation when something hits another thing), **hunter** (a person who hunts – kills animals).

ترجمه کلمات:

Inhabit: زندگی کردن

Collision: تصادف، برخورد

Hunter: شکارچی

## Level of Difficulty: Upper Intermediate

Why does the Harry Potter **theme tune** **spring** to mind? This **stunning** footage of a snowy owl was captured not by a professional wildlife photographer but by a traffic camera in Montreal.

With a beautiful **backdrop** of a snow-covered highway, the **majestic** visitor has delighted viewers with the video **gaining** over 15,000 likes and 18,000 shares on Facebook.

The reason the **sighting** has attracted so much attention isn't just the beauty of the video. It's also because seeing snowy owls is quite rare, as they tend to **inhabit** places where humans don't live.

The snowy owl is an official symbol of Quebec and is protected from hunters in Canada, though birds are occasionally killed in collisions with cars, airplanes and **utility lines**.

Wherever **Hedwig** here was **heading**, she clearly is a bit of a **poser** and we don't mind one bit.

### Difficult words:

**theme tune/song** (a song which is known for a movie), **spring** (to come), **stunning** (amazing), **backdrop** (a background, a setting), **majestic** (amazing), **gain** (to get), **sighting** (seeing, view), **inhabit** (to live in), **utility lines** (power lines), **Hedwig** (a snowy owl from the Harry Potter books/movies), **head** (to go), **poser** (somebody who likes to show everybody how he or she looks)
