Hi dear friend, Saman I'm Daniel. I'm living in Lodon now. Today is Christmas day here. People are very happy in new year. They usually go shopping, send cards and bake cake. It is a great day for children too, they get many gifts. I am going to go to Paris for Christmas' holidays by airplane. It is very pleasant. I like to visit museum and churches. Now, I'm packing for a trip and buying ticket from the internet. I want to stay there for a week. Have a good day, bye.
