*Notes:

1. Except for the Impact Factor, the rest of the columns are retrieved from the SciMago Journal and Country Rank. (The SCImago Journal & Country Rank is a portal that includes the journals and country scientific indicators developed from the information contained in the Scopus® database (Elsevier B.V.) It is based on citation data of the more than 15,000 peer-reviewed journals indexed by Scopus from 1996 onwards and is freely available online).

2. The impact factor is extracted from the Journal websites (based on Thomson Reuters ranking).

3. This list includes journals printed in English ONLY. Titles printed in other languages have been removed and titles from India and other Asian countries are also included.
