## VISA

Since most of the programs last fewer than 90 days, a 90-day tourist visa will be sufficient. However, depending on your citizenship, you may need a visa. Please contact the Korean embassy in your area to confirm visa matters.

# Short-term Study Abroad in Korea

" Explore Korea "

" Broaden your horizons beyond your borders "

" Challenge yourself and increase your global awareness "

# Spend your summer or winter exploring the culture, understanding the history and society and learning language of Korea.

This is the ideal program for students interested in immersing themselves in Korean culture and living in Korea. The programs listed below focus solely on Korean language and culture learning. Upon completion, participants may also earn credits transferable to their home university.
