

# CHLORINATED SOLVENTS— STORAGE AND HANDLING

DOC-2900-0003

The “**Storage and Handling of Chlorinated Solvents**” guideline published by the European Chlorinated Solvent Association (ECSA) in May 2011 provides useful information about the construction and operation of bulk storage facilities, the handling of drums as well as precautions to be taken.

4<sup>th</sup> edition, May 2011 is available for free download at European **Chlorinated Solvent Association (ECSA)** web site:
