Yesterday was 13th of Farvardin, the Nature Day. We were very happy because we went out to the nature.

After a few minutes, my brother and cousins and I went to play football. We had a lot of fun. But after half an hour I didn't see the ball and fell down. They came to help me, but my ankle hurt a lot. They called my parents.

My father took me to the hospital. After some minutes the doctor came. He said that I broke my leg, and I should have my leg in a cast for some days.
