THE FUNNY FARMHAND

10 Final & ShebheFinal

- 1 Monkeys are clever animals. They can learn many things. In some countries they are farmhands. They help farmers.
- 2 These monkeys live in the jungles of hot lands. There, farmers raise coconuts in fields.
- 3 Coconuts grow at the tops of tall trees. The farmer must climb each tree to pick them. It is hard work. Some farmers keep monkeys. They do this work.
- 4 It's fun to see a monkey going to work. He rides on the back of the farmer's bicycle. When they get to the field, the monkey climbs each tree. He looks at the coconuts.
- 5 The monkey knows that a brown coconut is ripe. He knows that a green one must stay on the tree longer. He picks the brown ones. And he drops them down to the farmer.
