Multi-device beta

Why join the beta?

After your devices are linked, your phone will no longer need to stay online to use WhatsApp on web, desktop or Portal. Up to 4 additional devices and 1 phone can be used at once. [Learn more.](#)

Privacy

Your personal messages and calls will continue to be end-to-end encrypted.

Limitations

- You cannot message/call from web, desktop or Portal to users who have an outdated version of WhatsApp on their phone
- Performance and quality may be affected
- Other [minor issues](#)

You can leave the beta at any time.
