Last year, my friends and I **packed** for a trip to Shiraz. It **was** a school trip. We **were** very happy. We **wanted** to wear our special clothes and cook special meals in Shiraz.

We were traveling by bus at night. Our teacher, Mrs. Farahi, **said** to the driver: "Don't drive at night!". She **said** to **him** "Stop driving and relax!". But, the driver **did not listen** to **her**. He was very careless, and unfortunately we **had a bad accident!**
