Time schedule

We always start our trip at 8 A.m from Qazvin to visit Alamut valley the places that we are gonna visit is: **Evan lake, Andej village** and **rocks, Alamut castle** and of course we can explore all the valleys in Alamut. I know some extraordinary paths for trekking and hiking. I should say the price for a daily trip to Alamut is **50 dollors** per person but there is always a **discount**.
