

A top-down view of a desk. In the upper right, a portion of a black keyboard is visible. Below it, a mouse is partially seen. On the left, a pair of glasses with a dark frame and light-colored lenses rests on the desk. The central focus is a clipboard with a dark cover, holding a white document. The document has the words "Articles" and "Submission" printed in a large, bold, black font, stacked vertically. Below the title, there are several lines of faint, illegible text. In the bottom right corner of the document, there is a small logo consisting of a stylized globe and the text "isipaper.org".
