

Passive:

F. Rewrite the text using the present and past simple passive.(3)

People all around the world use umbrellas. Someone invented the basic umbrella over 4000 years ago. We see umbrellas in ancient art from Greece, Egypt, Assyria and China. People designed the first umbrellas for protection from the sun. People didn't use umbrellas in Europe until the 18th century. Passengers leave about 80,000 umbrellas on the London Underground every year.
