

Lesson 2

My story persons has so exited because they have a show but they have a problem a problem is a they haven't costume for show because your costume with fin and fin car has broken down and he don't go to the show finally they cant perform the play and the audience is waiting

Lesson 4

Fin and he friends go to the our local wild life park today but it doesn't look very pretty today because have a very litter in the park and the park is a mess because the river is full of pollution and tv crew will be here soon.
