*My name is Parsa. I'm 15 years old. I like to be a firefighter. Actually, my father is a firefighter. He's very brave and helpful. He's job is very hard, but he likes it very much. He works at a fire station. It's not near our house. He always takes a bus to work. It's fast and cheap. He has an E-ticket. He often recharges his E-ticket in the morning. My mother works in a post office. She's an employee. Her post office is near the gas station, on Main Street. The post office opens at 8 in the morning. She often hires a taxi to work.
